"When I started here a couple of years ago, we were using [a competitor] for a large portion of our shipping. They were not reliable and when there was an issue I would have to talk to up to four people to get an answer. When we switched to DrayHub it was night and day difference. Every representative I address are on top of things. I am looking forward to the busy season and feel a lot less stressed knowing that DrayHub will be a part of it." – DrayHub Customer Email
